

1. This is the home screen:

2. This is the Trip Boards page:

3. This is Traveler sign up page:

The screenshot shows a web browser window with multiple tabs open. The active tab is titled "HomeAway" and displays the "Sign up for HomeAway" form. The form fields are as follows:

- First Name: "sheena" (highlighted in red)
- Last Name: "Gupta" (highlighted in red)
- Email: "sheena@gmail.com" (highlighted in red)
- Password: "\*\*\*\*\*" (highlighted in red)

Below the form, there is an orange "Sign Me Up" button and two social login buttons for Facebook and Google. A small note at the bottom states: "We don't post anything without your permission." At the very bottom of the page, there is a footer note: "Use of this Web site constitutes acceptance of the HomeAway.com Terms and Conditions and Privacy Policy. ©2018 HomeAway. All rights reserved."

4. On successful sign-up:

The screenshot shows the same web browser window as the previous one, but now a modal dialog box is displayed in the center. The dialog box contains the text "Signed-up successfully!" and has an "OK" button. The rest of the page content is identical to the previous screenshot, including the sign-up form and footer.

5. This is Traveler login page:

The screenshot shows a web browser window with the URL `18.218.63.94:3000/traveler/login`. The page title is "Log in to HomeAway". The "Account Login" form has a text input field containing "sheena" which is highlighted in red with the error message "Incorrect Email address format". Below the input fields are "Log In" and "Keep me signed in" buttons, and social login options for Facebook and Google.

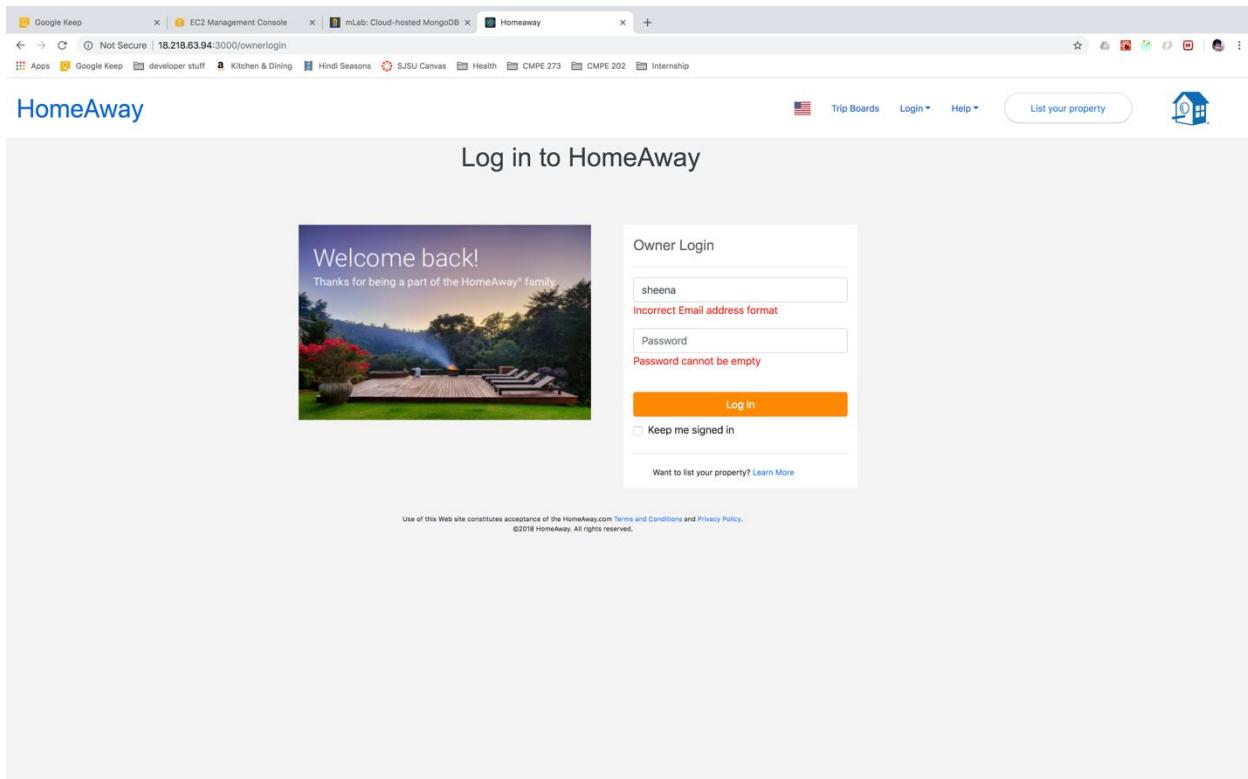

6. Traveler login validations:

The screenshot shows a web browser window with the URL `18.218.63.94:3000/traveler/login`. A modal dialog box is displayed with the message "18.218.63.94:3000 says Username and/or Password is incorrect." An "OK" button is visible at the bottom right of the dialog. The underlying page is the "Log in to HomeAway" page, identical to the one in the previous screenshot but without the validation error highlighted.

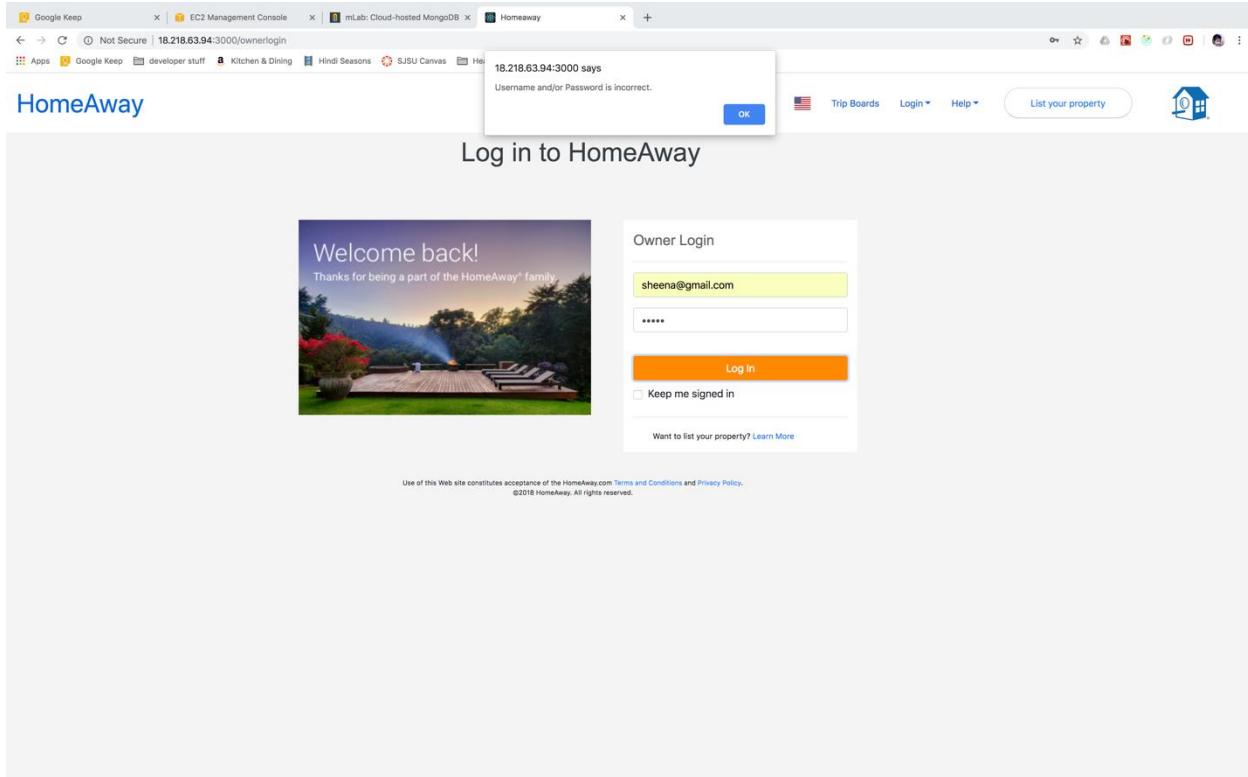

7. Home page after logging-in:

The screenshot shows the HomeAway homepage with a user account dropdown menu open. The menu includes links for Inbox, Traveler Dashboard, Owner Dashboard, My profile, Account, and Logout. The main content features a large image of a vacation rental property at dusk, with text overlays: "Book beach houses cabins, condos and more, worldwide", "Your whole vacation starts here Choose a rental from the world's best selection", "Book and stay with confidence Secure payments, peace of mind", and "Your vacation your way More space, more privacy, no compromises". A search bar at the top allows users to enter destination, arrival date, departure date, and guests, followed by a blue "Search" button.

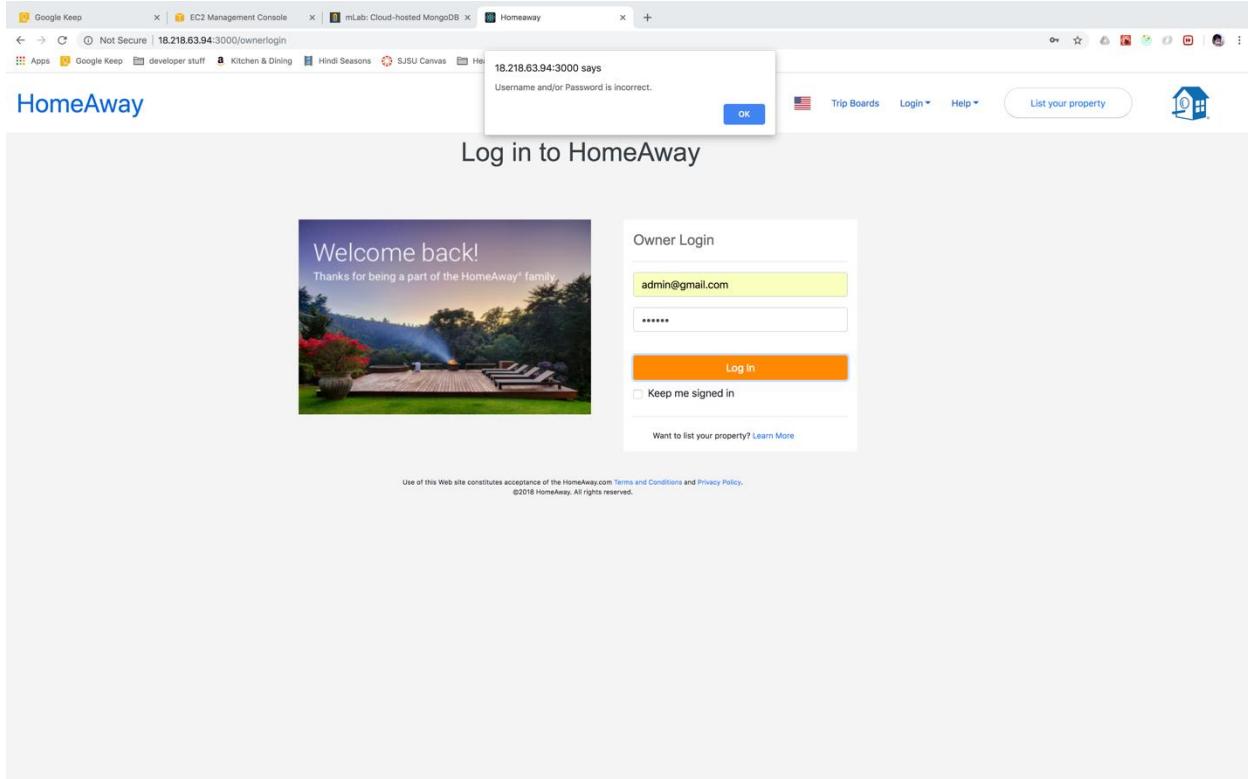

8. This is owner login page:

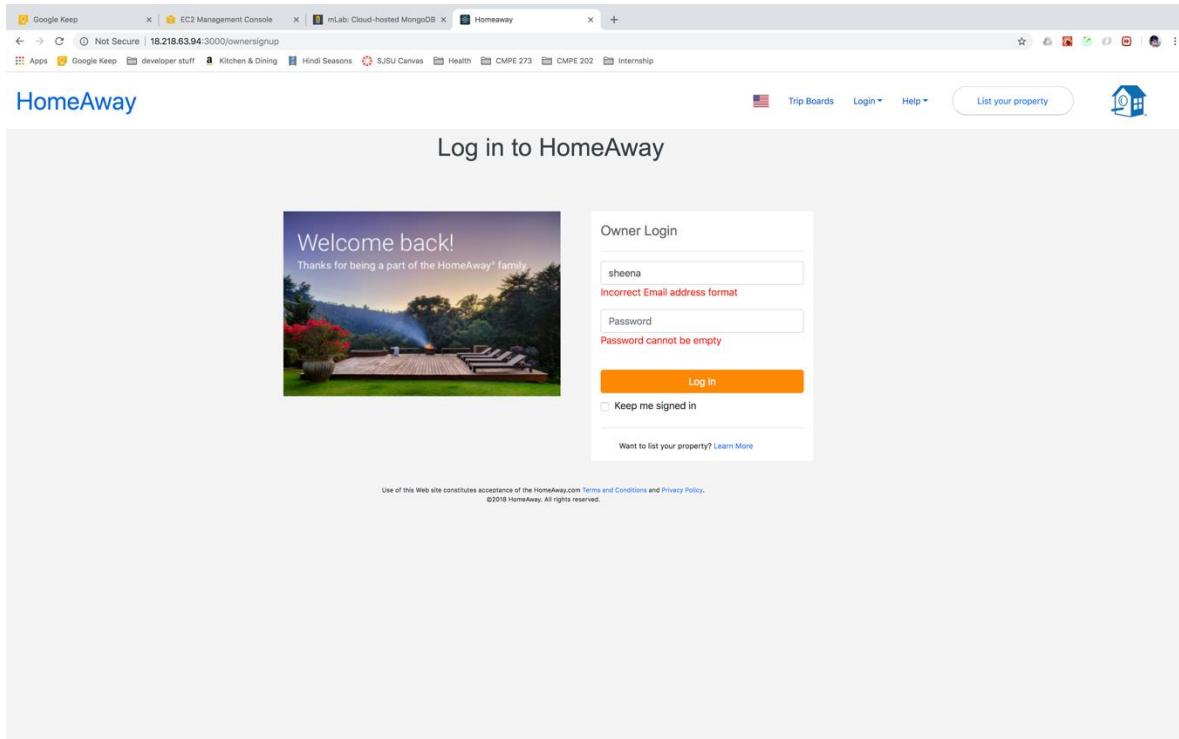

9. Traveler cannot login as owner until he has signed up as an owner:

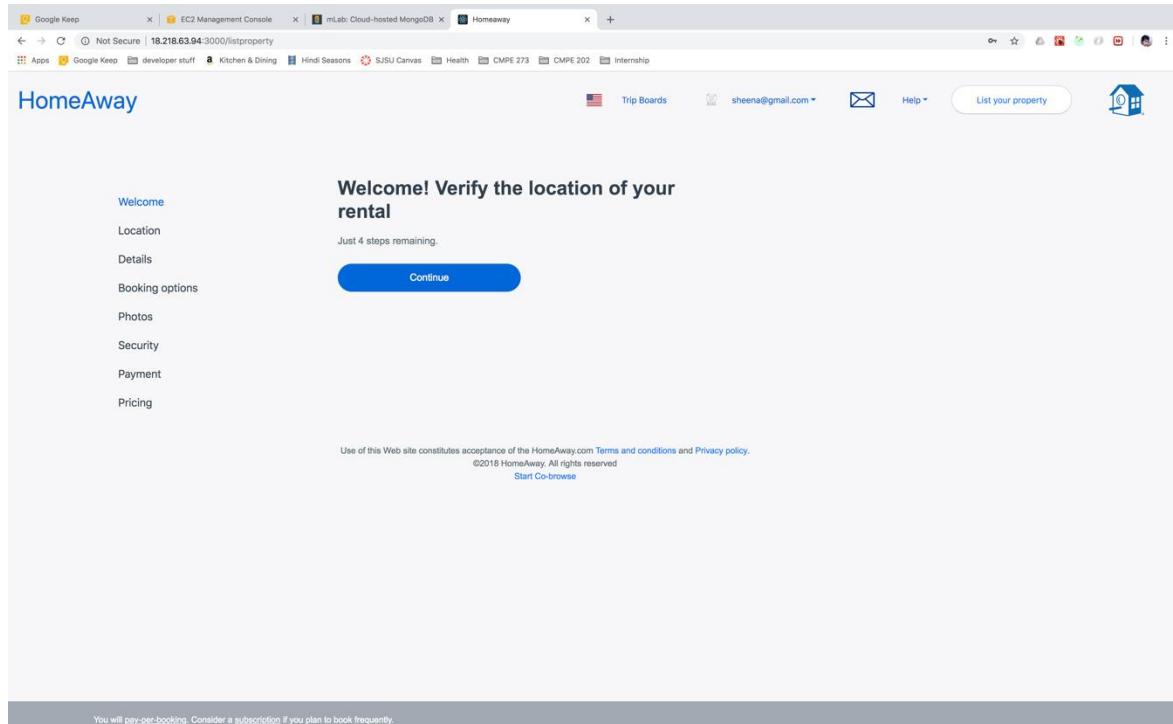

10. If user tries to sign-in with different email ID, while he is logged-in as a traveler, the following error is displayed.

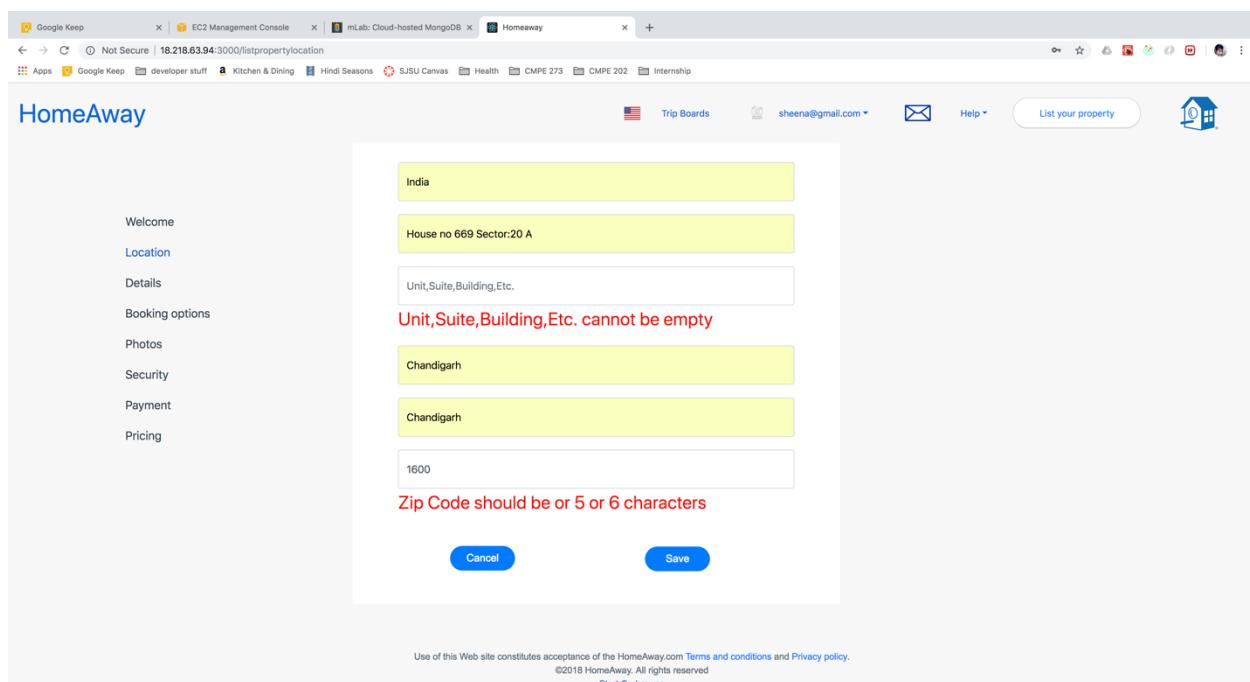

11. This is owner sign-up page:  
When a traveler sign-up as an owner with correct credentials, he becomes an owner and can then log-in as owner.

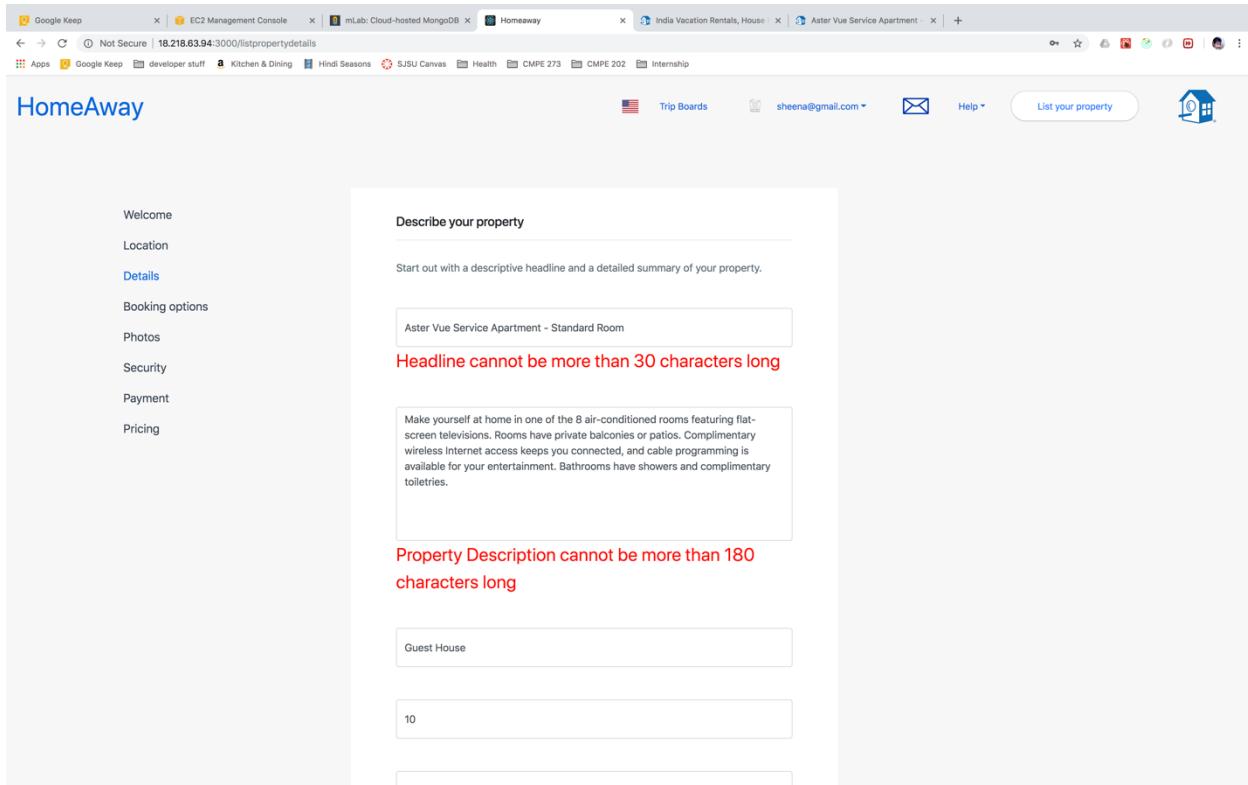

12. After signing-in as owner, the user is re-directed to list property page because owner sign-up page is displayed only when the user clicks on “List your property”. This is a validation check to ensure the user is an owner and has rights to list a property:

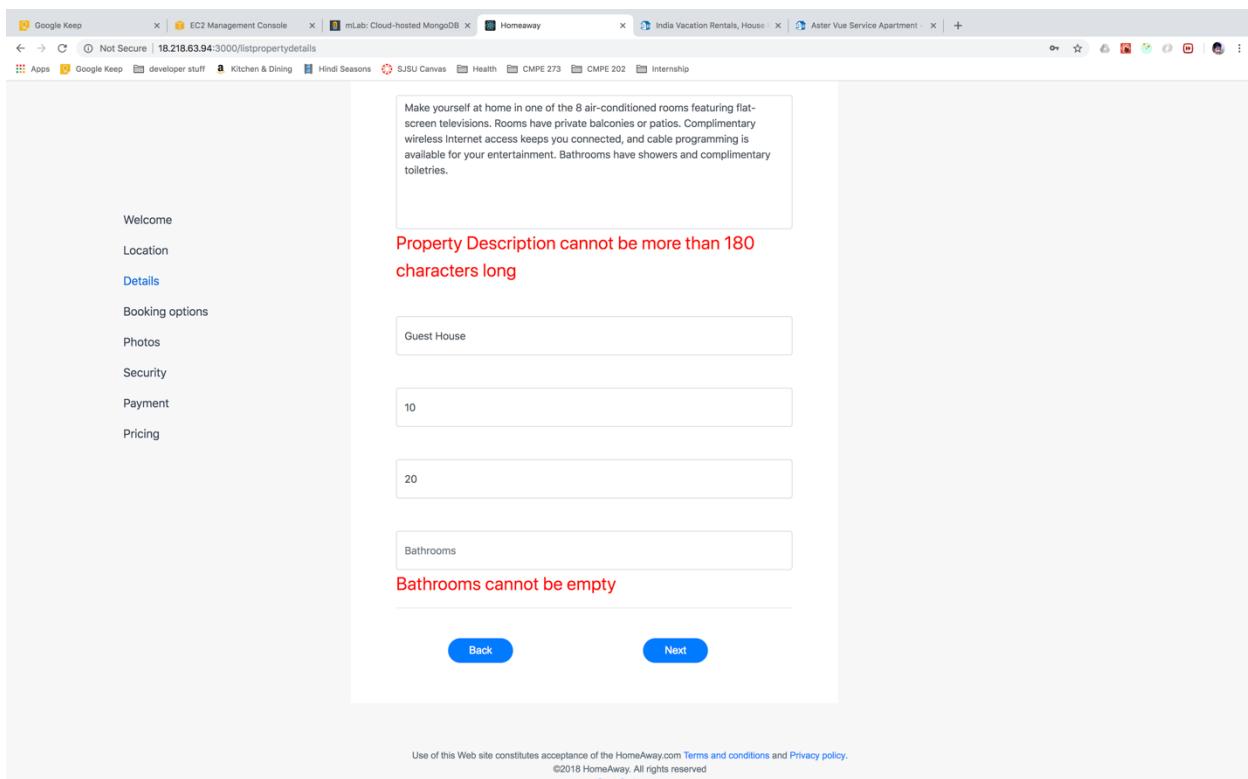

13. Location tab of List your property:

#### 14. Details tab of List your property:

The screenshot shows the 'Details' tab of the HomeAway 'List your property' form. On the left, a sidebar lists steps: Welcome, Location, **Details**, Booking options, Photos, Security, Payment, and Pricing. The main area has a 'Describe your property' section. A headline input contains 'Aster Vue Service Apartment - Standard Room', which is highlighted in red with the error message 'Headline cannot be more than 30 characters long'. Below it, a large property description input contains 'Make yourself at home in one of the 8 air-conditioned rooms featuring flat-screen televisions. Rooms have private balconies or patios. Complimentary wireless Internet access keeps you connected, and cable programming is available for your entertainment. Bathrooms have showers and complimentary toiletries.', also highlighted in red with the error message 'Property Description cannot be more than 180 characters long'.

The second screenshot shows the same 'Details' tab after some changes. The property description input now contains 'Guest House' and is no longer highlighted in red. The 'Bathrooms' input, which previously contained '10', now contains '20' and is highlighted in red with the error message 'Bathrooms cannot be empty'. The 'Back' and 'Next' buttons are visible at the bottom.

15. Photos tab of List your property:

The screenshot shows a web browser window with multiple tabs open. The active tab is titled 'Add up to 5 photos of your property' from the HomeAway website. On the left, a sidebar lists steps: Welcome, Location, Details, Booking options, Photos (which is selected and highlighted in blue), Security, Payment, and Pricing. The main content area contains instructions to showcase property features and upload photos via a drag-and-drop area or a 'Choose Files' button. It also displays a message about file requirements and a note that 0 of 5 photos have been uploaded, with 2 required. At the bottom are 'Back' and 'Next' buttons.

16. After selecting the photos, they are displayed below:

This screenshot shows the same 'Add up to 5 photos of your property' page after four photos have been uploaded. The sidebar and overall layout remain the same. The main content area now shows four thumbnail images of different properties: a modern house at dusk, a two-story house with a garage, a large illuminated building at night, and a complex with a pool and mountains in the background. The 'Choose Files' button is now labeled '4 files'. The rest of the page, including the photo requirements and the 'Back' and 'Next' buttons, remains identical to the previous screenshot.

17. User is supposed to upload a minimum of 2 and maximum of 5 photos:

The screenshot shows a web browser window with multiple tabs open. The active tab is titled "India Vacation Rentals, House". A modal dialog box is displayed, stating "Please upload more than 2 photos." with an "OK" button. The main page content is titled "Add up to 5 photos of your property". It includes instructions to "Showcase your property's best features (no pets or people, please). Requirements: JPEG, at least 1920 x 1080 pixels, less than 20MB file size, 2 photos minimum." and a link "Need photos? Hire a professional.". There is a "Drop photos here" area, an "OR" option, and a "Choose Files" button with the file name "property1.jpg". Below the files, it says "0 of 5 uploaded. 2 are required. You can choose to upload more than one photo at a time." A thumbnail of a house at dusk is shown. Navigation buttons "Back" and "Next" are at the bottom.

The screenshot shows a similar web browser setup. A modal dialog box displays "You can upload a maximum of 5 photos." with an "OK" button. The main page content is identical to the first screenshot, with the "Add up to 5 photos of your property" section. It shows a "Drop photos here" area, an "OR" option, and a "Choose Files" button with "6 files" selected. Below, it says "0 of 5 uploaded. 2 are required. You can choose to upload more than one photo at a time." Six thumbnails of various properties are displayed. Navigation buttons "Back" and "Next" are at the bottom.

18. Pricing tab of List your property:

The screenshot shows the 'Pricing' step of the 'List your property' wizard. On the left, a sidebar lists steps: Welcome, Location, Details, Booking options, Photos, Security, Payment, and Pricing. The 'Pricing' step is selected. The main area contains input fields for dates, currency, and minimum stay. Error messages are displayed below the fields.

At the bottom of the page, there is a navigation bar with two buttons: a blue square containing the number 1 and a white square containing the number 2.

21. User can search property by name:

The screenshot shows a web browser with multiple tabs open. The active tab is titled 'Homeaway'. The page displays a search interface with a search bar containing 'Villas', date fields for 'Arrive' and 'Depart', and a 'Search' button. Below the search form, a property listing for 'Crystal Villas A 11' is shown. The listing includes a thumbnail image of a resort at night, the property name, location ('Destin, FL, 92352, US'), a URL ('HomeAway.com 5bde089b3b16689d446a0ce0'), a 5-star rating icon, and a note 'Property booked by:'. The browser's address bar shows the URL '18.218.63.94:3000/ownerdashboard'.

22. User can filter property by dates:

The screenshot shows a web browser with multiple tabs open. The active tab is titled 'Homeaway'. The page displays a search interface with a search bar containing 'Property Name', date fields for '11/07/2018' and '11/16/2018', and a 'Search' button. Below the search form, two property listings are shown: 'Island Rio' and 'DIRECT OCEANFRONT'. Each listing includes a thumbnail image, the property name, location, a URL, a 5-star rating icon, and a note 'Property booked by:'. The browser's address bar shows the URL '18.218.63.94:3000/ownerdashboard'.

23. On Clicking the user name link, the below page opens up:

The screenshot shows a user profile for 'John Smith'. At the top, there's a photo of a man with a beard, followed by the text 'Hi, I'm John Smith' and 'Member since 2018'. Below this is a section titled 'About me' with a placeholder message: 'The traveler hasn't written anything personal.' Underneath are fields for 'Hometown: Chandigarh', 'Company:', 'School:', and 'Languages:'. To the left of the 'About me' section is a rating of 'No Rating' with five empty stars. Below the rating are three verified social media links: Email Address (Verified), Facebook (Verified), and Phone Number (Verified).

24. On Clicking the property name, the below page opens up:

The screenshot shows a property detail page for 'Island Rio' in Las Vegas, NV, US. The main image is a night view of a large, illuminated resort complex with palm trees and a pool. Navigation arrows are visible on either side of the image. Below the image is a horizontal menu with links: Overview, Amenities, Reviews, Map, and Rates and Availability. The 'Overview' tab is active. To the left is a map showing the location in Varca. The property name 'Island Rio' is displayed with a location pin icon. Below the map are icons for Hotel (1022 sq. ft.), Bedrooms (8), Sleeps (16), Bathrooms (8), and Min Stay (1). The overall layout is clean and modern.
